“ I am so sorry to hear of Ruth’s passing. I met Ruth when I worked at Tunstall Middle School. I was taking over as the Attendance Clerk when she was retiring. She trained me and taught me everything she knew. I admired her sweet demeanor. She was always so calm no matter what situation was presented to her. All the staff loved her and the students respected her. I would see Ruth maybe once a year at where I work now, Barber Auto. We would catch up for few brief moments. Sadly the last time she told me the cancer had come back. As I would come up 58 W heading home I would glance over to her house and wonder how she was doing. I know we are all very sad she has passed but we can rejoice she is with our Heavenly Father, cancer free and with Willis. You all are in my thoughts and prayers. 🙏❤️😊
