“Dear Peggy, Our family has fond memories of you, Jackie, and Ryan in the days when the boys were at WCA and we were carpooling them back and forth to school and sporting events. Afterward, as each one got their driver's license and became the driver for the others. Those were the good old days! I chuckled on Tuesday to pass by your house and see the little snowman that he built out of such a small amount of snow. Ryan was quiet, but always had a playful spirit.

Our hearts are broken to hear of his passing. Peggy, we love you and we are lifting you up to the Father for peace and comfort.

Sending love and prayers for peace and understanding during this time. Ryan was always kind to me when we spoke, and it saddens me to hear of his passing. No words can fully ease the pain and frustration when a young soul leaves this world; however, there is great power in knowing that God's timing and plan will always transcend our own understanding.
