“ Hey Ryan,

I still remember the first time we met. It was 7th grade in Mrs Fains science class. You were a fresh new student in from Wilson, NC. I had been at Calvary since Kindergarten and had already made many close friends. However, you were one of a kind. We instantly kicked it off. From 7th grade to 10th grade, there wasnt a moment we werent together. I will never forget all the great times we had together. All the times we had out on the golf course, travelling to places such as Grandover, Myrtle Beach, Pinehurst, and The Homestead. The times we went on ski trips to Beech, Sugar, and Snowshoe. You and me were adventurers. We were not afraid of having fun. You will always have a place in my heart. You were one of the best friends someone could ask for. I am not alone in saying that your great personality and radiant smile will always be remembered. Thank you for being there with me as we created some of the best memories of our lives. I cant believe this has happened to you, but I know that someday I will see you again. Your the best Ryan.

*With much love, respect, and humility,
Andrew McGee*

I thank God that you are assured of his eternity. We recently lost a grandson. Same age, so much to look forward to but we lost him. My heart goes out to you and your whole family.

“ *Mark, Susan and Landon (and all of the family)*
We continue to pray for each of you. We love Ryan like our own and will miss him. I remember so well the conversation we had this past Labor Day in the sun-room of the Farm. Ryan had specific goals and some well-laid plans for his future. We loved him from the first time we saw him as a 2.5 year old. That squeaky voice asking and telling me so much when he would come over to sneak some snacks and to jump on the BIG pillow in my den. Such great memories from vacations, long weekends at the farm and time spent at his home. Gonna miss you little buddy...but we Thank God for the promise of seeing you again one day - Oh Glorious Day!

Moss/Connor Family: Your are being prayed for daily. My heart hurts for you. My grandson Ronnie just went to be with the Lord May 1st. and I know your sadness and void. I am learning that God's grace is sufficient and He does sustain. Looking forward to seeing my grandson again and meeting your Ryan. I am sure the two of them have met and rejoicing together. Praying for you!
