*Love all the pics. Same was a good man. He took over Pryor store after my dad, Percy Gammon, retired from health issues. Visited him last year and we talked for a while. My cousin and I just rode by his house and wondered why the yard was as clean as usual. Looked online and found this. We all are heartbroken and didn't know he had passed away. Never saw or heard anything about it. Just know, he was a kind man we all thought the world of him. Prayers to all his family and friends. 🙏*

“ Susan, Mike, and Terry  
So sad to learn of the loss of your Dad. I worked with him years ago when he was our VP and Sales Manager. You kids were in your early teen years and he was so proud of you. You're in our thoughts and prayers.

“ What I will remember most about Sam is our conversations. He was such a smart, kind, and brave man. He had so many stories to tell about all the things he had done in life. He had great love for and fond memories of his family. He lived life to the fullest and that in itself was pretty inspirational. He will be fondly remembered. My condolences to the family,
