“ I grew up with Sandra and her family, and we had so much fun. She and Bonnie treated me like a sister. They looked after me when we were horseback riding. I have some of the best memories of her and the rest of the William's family. RIP Sandra and give Baby Girl a hug.

Sandra and I went to school together and were also friends. Our dads were close friends and I remember being at their house from time to time. I reunited with Sandra during the death of her daughter. Have been praying and texting her until I got covid during Christmas. After I got better, I tried texting her several times with no response. I assumed she was getting worse so I continued pray for God to help her along the path that was set before her. Sandra was always so sweet to me. Plan to be at the funeral tomorrow. Will be praying for her family.
