“ My mother, my sunshine, my confidant, my whole world... there's not enough words to describe what you mean to me. I have lost a piece of my heart, you always made me laugh. i can't wait until the day you can hold me in your arms again. I love you to the moon and back. Please wrap your arms around my babies in heaven. I love you and please kiss and hug Nanny for me.

“ I can't express how shocked and saddened I am about losing one of my sweet cousins. We reconnected on Facebook a couple of years ago and it was amazing. As cousins, the last time I remembered seeing her was after Uncle Jack died. We were just little girls then. After about 50 years we reconnected on Facebook and it was one of the most special days of my life. Ever since that day we have stayed in touch via phone calls and FB. She was such a blessing and uplifted me everytime we talked. That girl was pure sunshine and you couldn't help but love her. She loved her family with a passion esp. her sister Barbara. She always referred to us as the "McGregor girls". Sandy, you have brightened my life so much and I will love and miss you forever.
