“ While my mother was at Roman Eagle in rehab during July and part of August we found out from Dale about Gail's health issues.....the twins are my 3rd cousins whom we have not seen in some years.....fond memories are shared of family gatherings back in the day at Willa Mae's, mama and daddy's house and later a few gatherings at the church fellowship hall.....time moves too fast, with so much happening in short time.....Dale visited us during mama's stay to spend time after work.....it was difficult to know what to say other than the ultimate Truth-----God is in control.....Gail's time on Earth has ended so sadly, and Dale, her identical twin, feels the loss like no other person could.....I cannot imagine.....Thank God that Heaven is REAL!.....Gail is there suffering no more and one day will be reunited with her carbon copy.....in the meantime Dale needs much prayer and encouragement which I know will come from the many long time friends and co-workers at Roman Eagle.....our family will keep in touch with her as well
