“ Sheila was always so much fun at the Brewfest. I requested to volunteer with Danville Distributing year after year. I first met her when she would come to Immediate Care with Lexus. I would ask her about Lexus every year
Sheila loved her family.

“ I just learned of Sheila's passing, sickness, etc. I had no clue? I worked with Sheila at the beer distributing warehouse for 5 or so years and she was the consummate professional! I don't know how long she has been away due to her health but I honestly don't know how they are going to stay in operation without her? My thoughts are with her family (Tim), she comes from good people. I know of her Iris Lane family being I grew up with many of her neighbors and we knew a lot of the same people. I'm still in shock and disbelief, I hate this disease Cancer that takes good people way before their time on earth should end! Godspeed, kind lady, and sweet soul!

“ To the family of Sheila - I am so sorry for your loss. Sheila and I were dear friends way back in Elementary School at Mt. Hermon. We had so many fun and funny times together. She would invite me to stay the night on many weekends and Im sure we drove her mom, dad and brother crazy with our silliness. She would make me the best grilled cheese sandwiches. Sheila was such a pretty girl. She was so pretty she stold the attention of a boy we both liked without even trying, but we remained friends anyway. I hate we didnt get to see each other and visit before she was sick but I do pray for her family to be comforted. Prayers for you all!
