“ I grew up with Shelby, so many memories. Too many to share, we went from Mt. Hermon to Tunstall High together. Stayed in touch over the years on and off. This is so hard to believe, I just talked to her Monday through messenger, I had been keeping up with her health. Shelby's mom Barbara that adopted her and my mom were great friends. So there was alot of time spent together over the years. I just new things were going to turn around for her, but God new best. Prayers for Frank, her daughter Michelle, her sibilings, and the rest of the family, and thank you Lori for letting me know. Keeping you all in my thoughts and prayers now and for the days ahead. RIP Sweet friend
