“ Sherren you will be missed.  
The memory that stands out the most is the ear piercing day in the kitchen. Ice and a needle. You fixed us all up, then Sherry did yours. We were all so happy.  
You were the one that tried to keep the family together after Ma-Ma died. You worked miracles at times.  
I know you are with the family now, and I know you and Rachel are celebrating in style.  
Rest In Peace , Vicki
