“ *Shirley kept me when I was a little girl over in the apartments in Danville in the '60's. Even in my child's mind, I can remember the bustling household filled with love and run by Ma Pruitt. Shirley will always, always remain in my mind and I will see her again one day. What a glorious reunion she is giving now. RIP, dear, dear Shirley. I love you, little Evelyn.*

“ I am so sorry to hear about Shirley. I lived next door when we were little and have known her most of my life. Most recently I had tried to keep up with her on Facebook. I knew she had been ill, but didn't know she passed away until this evening. She was always a really sweet friend and I will miss her.
