“ Dear family of Steven, Please know that all of your family has our sincere sympathy in the loss of your loved one. Robert and I used to see Steven at a local restaurant and connect with him about his family and ask about Becky since I've known the family for a long time. Steven was such a friendly and thoughtful man and he always had a wonderful smile and a kind word. We know he will be sorely missed by those who were privileged to call him friend and his dear family. May your treasured memories comfort you in those difficult times. Fondest regards, Sandra, Robert and the entire Marsh family
