“ I still can't believe you are gone. I miss you everyday. I love you so much. Tinkerbell and I are lost without you. I know you are with our heavenly Father. You no longer have to suffer through chemo. You would be proud of your two daughters they are amazing. Your funeral was the most beautiful I have ever seen. I love you and miss you dearly. Until we meet again. Hugs and kisses!

“ Steve has been a part of my life since I was 4 years old. He taught me how to drive, a stick no-less, when I was 12/13. I have so many memories with him in them it’s hard to believe I won’t hear about him doing things anymore. I am praying for strength for my sister, Amber as well as Tanya and Sophia, and Vivian. He will be missed. I read these stories how he was always smiling and it reminds me of his “country wave” he always did when riding down the road. It always made us laugh. It wasn’t exactly a wave but it was Steve’s style of a wave. Wish I could’ve gotten to see you before you left us. Always in our hearts and prayers. ❤️

I was very saddened to learn of Steve's passing! I only had the pleasure of knowing Steve for a short while, but he left an indelible impression upon me. His faith was enormous and his work second to none!! There is much to the line that "only the good die young". Some things we are not meant to understand. My deepest sympathy to Steve's family for we have lost a special human being. Steve Counts... done too soon! Thoughts and prayers. 🙏

I hired an electrician and lost a friend. What a great example of a Christian who let Christ shine through in everything he did. RIP, Steve.
