“ *Susan & Bill were our first friends when we moved here from NJ.
They took us to our first Nascar Race and introduced us to beach
music and Rocky Top and shag dancing. When my dad passed
away Susan was right there helping us with the arrangements. I will
always remember Susan as a person that led with her heart. Her
smile and wide bright eyes were windows to her kind heart and soul.*

She will be missed.

“ *With deepest sympathy to the family. We cry tears here on earth, however she is smiling in heaven and waiting for her loved ones. Susan was five years old and our flower girl 50 years ago. So cute and sweet. If you would like the picture o9f her in her little white dress, white gloves and shoes, let me know. She was a beautiful lady who loved her family dearly. She was a trooper during this illness and told me that Erman was her inspiration because of his battle with brain cancer. We loved her very much!*

“ *My favorite quality of Susan's is the sound of her laugh-- deep, playful, and lively. I have always loved Susan's genuine honesty. She challenges the rest of us to remember what really matters: family, loyalty, and love. She has been such a gift to my brother Bill, and for that I loved her from the first day! Thank you, Susan, for the gift you are to all of our family. We cherish you!*

I was so blessed to have had Susan apart of my life, she was so much fun, loved our long talks and even when the years went by, we always picked up where we left off. Thank you Susan for your unconditional love, when I had to make the hardest choices in my life, my one regret is not seeing you before you went home to be with The Lord. I will miss everything about you, especially your contagious laugh you always made everything alright. My heart and prayers are for the Weaver and Beale family, may God's loving arms surround you and keep you through the days and months to come.... Love you my friend, Lisa
