“ I recall Susie from high school as being a very positive lady with a quick smile. She was kind and thoughtful person and I am sure she never changed. God Bless you Lady and your family.

“ Leslie, I remember growing up around Joe L., Susie, Judy, Doug, Carlton and all their many friends. Believe me it was never a dull moment! Your Mother had a contagious laugh and was so much fun to be around. I know how much you will miss her. Asking the Lord to comfort you and the rest of the family. The Bible tells us that to be absent from the body is to be present with the Lord. Keep this close to your heart during the days to come and know that she has been welcomed home by those that she loved.

“ My sympathy goes out to the family during these sad times while mourning Susie's death. May the support of fellow family and close friends help you to cope. In addition, may the God of Comfort help you to endure and lighten the burden from Susie's death (2 Corinthians 1:3; Psalm 55:22).

“ I have happy childhood memories of family visits to my relatives in Danville. I especially enjoyed playing and hanging out with my cousin Susie. She was a sweet, kind, fun-loving girl with a contagious laugh that made you laugh with her. May God's Gentle Spirit be with Leslie and the whole family of Susie Boulware, and give comfort knowing she is rejoicing in Heaven.

“ Susie will be truly missed in my home. She was a true and lifelong friend and confidante. Although we didn't see each other often over the years due to distance, we never lost contact, and spent many hours in conversation. She was a special person and friend. My heartfelt sympathies go out to Leslie and her family. And to Damien who she loved so much.

“ *I hope you know, Lesley, what a funny and fun-loving person your mother was. She always loved to joke, and she had that unique laugh, even when we were children. I used to love visiting our grandparents in Danville because I knew we'd get to see Susie and the other cousins. I'm so glad she remembered the teachings of our grandpa, who started the Shady Grove church; I know her love of the Lord was a great comfort to her. She seemed to have such peace when Mom and I visited her a few weeks ago; she said Jesus was holding her hand, and she wasn't afraid. I hope you and your family are comforted somewhat by knowing that. God bless you in this difficult time.*

“ Susie maintained her sense of humor, which she always had since the time we grew up together in the same neighborhood. We had numerous phone conversations over the last few months. She kept telling me that she was trusting in the Lord, and she usually ended the conversations with something funny. May God bless the family and friends of my cousin Susie. Doug Murphy
