“ *Sylvia is one of my 21 first cousins on my mother's side. She and her mother, Aunt Lillie, came to stay with us when I was born. Later she came to visit us in Takoma Park accompanied by her friend, Kitty Duncan. These girls were so sweet that when they left for home after a week I cried. Of course I spent many visits at the farm in Bachelor's Hall with my dear cousin, Nancy. I have much gratitude to Uncle Stanley and Aunt Lillie for all the good times.*

“ I remember a bride smiling and joy, I remember warm holidays and laughter around the kitchen table (how we loved that cranberry jello with nuts!), I remember a fluffy white ball cradled in arms wreathed in red, I remember a card table piled with correspondence for the church to be waiting for Sylvia's unique calligraphic hand, I remember dozens of pictures of family and numerous stories of fun with friends. I remember how happy a couple Sylvia and my dad were all the time they were married. And I know that they are still together now, and still sharing that love.

“ Sylvia and her family were an important part of our Brosville "family". I have fond memories of all of them. My sympathy to her family during this time of sadness.

“ Our thoughts and prayers are with you during this very difficult time. I hope Sylvia has found some "boards" in heaven so she and I can have our "jump board" games again from our childhood. We had some great time back then. Love you Sylvia!!
