*Tammy had the gentlest spirit. She would always run up to me in church and hug me and and ask me to pray with and for her. She loved the Lord and trusted Him as her healer. Although we had hoped her healing would come on Earth, He healed her completely and I know when I see her again, she will be walking upright, with no pain and smiling and laughing. She is beholding Him face to face right now.*

“ *I went to church with Tammy at Hope Church in High Point. Tammy was always excited to be at church and was there every time the doors were open. She always had a smile on her face and a kind word for anyone she spoke too. When she was well, she was willing to do what she could and loved spending time with her Hope Church family*

*She spoke of her family often with lots of love. Even though she loved living in High Point, she missed them a lot.*

*We loved Tammy very much and will greatly miss her. I will be excited to see her again one day.*

“ Dear Mom,

*Moments in life such as these are the ones that make us step back and re-evaluate what is really important in life. Even though we never met, I want to take this moment to say Thank you and I love you. Not just for being a beautiful soul, but making sure that your beauty was passed down through your family. Mark is such a loving, fun and amazing person and I know he must have inherited those traits from you. He is one of the most important and influential people in my life. He is caring like you, strong like you and I know he gets his warm smile from you. So even though you may not be here with us to touch, we know you are watching down on us and shining your beauty with every breath we take.*

*Love always,*

*Dana*
