“ I have so many precious family memories of Terry. He was always laughing and full of fun. Our grandmother filmed a lot of his growing up years. I cherish those home movies. You cannot look at them without laughing at Terry. He always had time for his younger pesky cousins when we came to visit. He loved Vicki and his girls so much. They were the light of his life. I am so blessed to have such good memories of this wonderful man! We will be praying for you Vicki, your beautiful girls, and your grandchildren. May God comfort you all during this time of loss.

“ So much history with Terry. He and I were in the first Apprentice Class at Goodyear in 1967. Became friends not just at work knew him when he and Vicki were dating. Some of our children are the same age we vacationed together golf, skiing, the beach. Terry was the golfer I was the hacker still had fun. I consider myself to be a pretty good mechanic Terry was better. That would be hard for some people to say but if you were almost as good as Terry you were still pretty good. I hate it that after we retired we didn't see each other as much as when we were at Goodyear. Terry will be missed by me and many others.

“ What to say. We were high school classmates, we went on dates together, we were in each other's wedding, we started families at the same time, we vacationed together, we played a lot of golf together, we became grandparents and we lost parents and friends over many, many years. I loved his family and he loved my family. I loved him like a brother and I will miss him dearly but I will never forget the Memories we made together. Love you brother!❤️❤️
