“ *This man taught me to smile no matter what. Whether he was knee deep in the mud, pulling in the hot summer sun, or just fishing out at the lake he always grinned from ear to ear. He always went out of his way to give me a big ole bear hug. The last time I saw him I told him I probably wouldn't see him for awhile cause I was moving away, but I never imagined that it be because I would be meeting him in heaven. Love you "uncle" Tommy!*

“ Bill Lester and I, will greatly miss the calls from Tommy to the Saturday afternoon beach party show and the back in the day with bill and kay show. we loved to listen to his stories about his travels. He called us weekly with a new story. We wish both of us had gotten to meet him in person. He had just stopped by my work to meet me a few days before. He was such a great guy and very happy and outgoing. he brightened our shows with his calls and we will miss him greatly. Our prayers go out to Tommy's family.
