“ *I was sorry to hear of Tim's passing. I probably haven't seen Tim in 30 years so I will always remember him from our days at Tunstall. He will always remain young with a smile and a lot of fun to be around. It seemed he grew into a fine man with many friends which is a great measure of his character. All my prayers to his family.*

“ Dear Family,
We are so sad to hear of your great loss. We only knew "Coach Tim"
as he helped coach our grandson, Caleb, in Tunstall football. He was good
and players deeply respected him. "Death is a Heartache no one can Heal.

“ Tim and I go back a long ways. We go back to his formative days at Tunstall High School. I was his football coach then. Tim was always a favorite because he worked hard at the game. It didn't matter if it was practice or actual games, Tim was always at full speed. Tim was the type of guy that made coaching fun. Tim was a lot of fun. He could "cut up" with the best of them. He enjoyed having fun with his guys. But when he strapped on the pads he was all about getting better as a player. I loved Tim Brown. I was shocked to hear of Tim's passing. It hadn't been too long since I saw him at a funeral. Our loss is heaven's gain. Tim influenced young lives and left a legacy we all can share in and he would be proud of. Working with young folks is a call from God. May the Lord be with, and comfort Tim's family. Wiley Ashworth; Tim called me "coach."
