“ I'm so sorry to hear about Tim. My thoughts and prayers are with Ellen and the rest of the family. I only met him a few times many years ago when my first husband Jimmy was diagnosed with Tongue cancer -- their mutual Dr got them together and Tim was the reason that my husband decided to have his surgery because he knew that Tim was a survivor and fighter. He was like a hero to my husband Jimmy. My husband didn't survive but Tim and Ellen kept in touch. I will always cherish my friendship with the both of them. Tim has finally gained his wings. Fly high my friend.
