

Timothy Dean Lee

December 17, 1962 - April 23, 2023

Timothy Dean Lee, 60, of Danville passed away on Sunday April 23, 2023 at Sovah Health-Danville.

He was born on December, 17, 1962 to Barbara Clifton Lee and the late Ottis Dean Lee.

Tim served in the United States Navy and worked as an Aviation Structural Mechanic E, where his specialty was F-18 Aircraft. He was a member of the American Legion Post 325 and Grace Design United Methodist Church in Danville.

After leaving the Navy, Tim decided to move his children back to his hometown of Danville. Keeping his family close was the most important thing to him. He worked as a Millwright at Georgia Pacific, Boise Cascade, and Goodyear over the course of 25 years. Tim was the definition of "Mr. Fix-It" and was happiest working on projects for his family. His family was his greatest joy, and he never missed a moment to make them laugh, even in his last Earthly hours. Whether it was building a zipline for his children and grandchildren, a she-shed for his wife, or fixing a fuel pump on his daughter's car in the dead of winter, Tim worked tirelessly to show his love.

In addition to his wife, Brandy Lee, he is survived by his three children: Laura Lee and fiancé, Luis Hernandez; Ryan Lee and wife, Alana Lucas Lee; and

Katherine Lee. He has two grandchildren, Adeline Sparrow Baer and Samuel Dean Lee, and is also survived by his sister, Robin Worley and husband, Doug.

The family will receive friends on Tuesday, April 25, 2023 from 5:30pm until 7:30pm at Wrenn-Yeatts Westover Chapel.

The funeral service will be held on Wednesday, April 26, 2023 at 11:00 am also at Wrenn-Yeatts Westover Chapel with Pastor Jim Reed officiating. Interment will follow the service in Danville Memorial Gardens.

Wrenn-Yeatts Westover Chapel is respectfully serving the Lee family.

Tribute Wall

AH

“ I will always remember Tim Lee. He was more than just a patient of mine but him and Brandi made me feel appreciated which in the health care world isn't often. Sadly I didn't get to experience the healthy and courageous side of Tim as most of his friends and family had. However, I got to see the fighter. I got to the love between Tim and Brandi as the love everyone dreams of having. We shared many laughs in that hospital room and got to know the scary and ugly sides of each other. In the end god wanted something different and sadly I'll have to wait to see that other side of him but lord knows I'll be waiting and so will he. May he finally rest.

“ My dear brother, oh the memories I will cherish. We had lots of fun growing up..From all the injuries that I helped inflict on you, pulling the wagon when you stood up and I threw you out causing stitches.chasing you again causing stitches..but payback from you to me...let's see hit in my nose from a carrot by you....chasing me around house with your tweetsie railroad whip..stuffing fuzball up my nose..But I will take them all over again...it breaks my heart so much not to be able to be at your funeral due to the fact that I fell down the basement steps and broke 2 bones below my knee plus messed up my knee cap and I am laying up in the hospital in Roanoke..Love you now and forever..Rest in Peace
