“ We are going to miss your laughter and sweet smiles. I loved it when you would get excited and yell "bingo" everyone would say "AGAIN" VERA would smile and laugh. I thank God for letting you be in Layla and my life. I send my love and support for the Bradner family. It's hard to say goodbye but we know deep down inside that you were ready. My heart hurts and thank you for so many great memories. I know that you are doing better today and I hope that our "Circle will never be unbroken " we will meet again!
