“ *I am very sorry to hear Vickie passed away. She was always such a kind and sweet lady to me. I will never forget her love and the support she showed me when my first husband passed away back in March 2021. She came to my wedding shower when I got married again for the second time. I attended Words of Life Chapel some in the past and met Vickie there. My sister, Donna Holt is a member of the church and a friend of Vickie's.*

“ Vickie was a childhood friend of mine. She lived a few houses up from me on Cabell Street. We attended John L. Berkeley School and were in the same class in fourth Grade. The last time I had contact with her was around 1996 when we were both working at Walmart. Sorry to see her passing. She was a childhood friend.

“ Vickie is a wonderful Cousin that was always friendly and loving to all she met. She loved deeply her Husband Willie and missed him terribly. You could see the love they shared was so very special. Her two Children were her jewels and those beautiful Grands she lite up when she talked about how special they each were to her. Love you dear Vickie and praise GOD will see you again in Heaven.

“ I worked with Vickie at the Surf restaurant in the 70's, I bought my first car from her & Willie, a big ole Ford LTD, I loved it. We played lots of Rook during down time at the Surf, I remember all her family coming in to eat the Flounder special. It was great keeping up with her on Facebook, she was so proud of her children & those beautiful Grands who favor her so much. She sure fought a great fight, now she's healed & whole again in Heaven with her Beloved Willie & Parents. Praying for all of her family, that you all feel God's Peace and presence surrounding you during this tender time and that all your great memories are greater than your loss.
