“ Virginia was my supervisor year’s ago at Health Tex she was a good one to so many. I would run into her sometimes out shopping she would stop & talk. She told me to stop bye & see her so I did a few years back. We had 2 amazing family members we shared as relatives. They were her nieces sons who were my cousins on their Dad’s side of the family Dillion & Dustin Smith. I am deeply sadden by her passing. I was just thinking about her a while back wondering how she was. I remember so much about her she even took me home one day after waiting hours to get a ride home from work. She will truly be missed! My prayers go out to her families 🙏🙏❤️
