“ *I am so sorry to hear of Vivian's death. When my brother married her daughter over 40 years ago our families began hanging out at birthdays, holidays and all kinds of events. I remember them letting me go with them to the beach. There are lots of great beach stories I could tell. Then going to that lot they used to have (I have know idea even where that was!) - - Every time I went to her house she wanted me to play "Bridge Over Troubled Waters". I'm thankful for such wonderful memories that I can hold on to regarding Vivian and the Turners. - - I'm grateful for the opportunities we had to talk and share when Debra was sick and I visited with Vivian. She always made me feel like a part of their family. Rest in peace my good friend - until we meet again. Brenda and family - hang onto the great memories you have and they will get you through the difficult days ahead. Sending love and prayers to you all.*
