“ I will miss Vivian very much. She was one of the liveliest people I have ever known. She was my Aunt by marriage, but I thought of her as family, and she treated me and mine the same. I know that I will think of her often and wish I could talk to her again. Going into the BP will be sad from here on in. Look forward to seeing her again one day. Enjoy Heaven.

“ I considered Vivian to be a dear friend. So dear that she had invited me and my boys to her home for a family get together years ago and we were treated like family. We had meet years ago with Vivian's work place being a customer of the company that I work for. We spoke weekly about business as well as just a few general conversations about family and how we were both getting along. She was a delightful person that brought a smile to everyone she came in contact with. I will certainly miss talking with her in the weeks, day and years to come. We have spoken weekly for 20 some years. My prayers to the family !!!
