“ Aunt Rhonda, Wayne, and Andrew ;

Memories of my childhood visits to your house were highlights that I cherish. Shooting targets, fishing, four-wheeling, and listening to his stories were of particular enjoyment. Wallace was a person who made a young visiting nephew feel special. Cherished memories indeed.

So sorry for your loss.

“ When my parents divorced and my dad didn't have a sitter for us Uncle Wallace and Aunt Rhonda watched my brother and I some. I honestly don't remember how much they watched us but that time with them and Aunt Phyllis helped shape me into who I am today.
