“ Hi, I did not know Walter personally but I know how very hard it is to lose a loved one in death and I wanted to express my deep sympathy. At times like this, Ive found Jesus Christ's words at John 5:28,29 to be very comforting where he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out to a resurrection of life." I look forward to that day. Feel free to contact me at the email address listed and again, I'm so sorry for your loss. I will keep your family in my prayers.

“ Dear Donna, Brett, and Scott,
What a privilege it was for me to call Ronnie my uncle!!!! As Brett and I were reflecting on the good times at Grandma and Grandpa's on Sunday afternoons, I thought about how happy Ronnie always was and how he definitely enjoyed teasing me!! Donna, I saw between the two of you such love and complete devotion rarely seen in marriages, and both of you put your children first. Those times together as a family were some of the happiest days of my life when we all gathered together, ate good Southern cooking, and played in the yard. I will forever cherish those memories, and Ronnie will keep an important spot in my heart when I think of our wonderful Bondurant clan!!!! love to you all, Carolyn

“ Donna,

Although it has been many years I remember fondly coming to your house when your boys and my brothers were little. Hope you don't mind me phrasing it this way but I remember thinking early in life that Ronnie was a "cool" dude. Thanks for the friendship that both of you showed mom and dad down through the years. God has taken Ronnie home. He will now take you the rest of the way. My prayers are with you and your boys.

“ Donna,

So very sorry to hear of Ronald's death. I do not know the pain you and your family are going through at this time but my heart and prayer's go out to you. I met Ronald at Leaksville Graded School. He was shy and I stuttered so we buddied up. We remained friends all through school and we graduated in 55 from Tri-City High. You sent me a picture of you, Ronald and me at our 1995 reunion. He was looking in his wallet for a business card to give me, he did not have one. I still have that picture. God bless you at this time and always.
