“ *Tom and Family,
Please accept our condolences in your recent loss. From the time we first met at Stony Mill through her days at Belk's, Wanda did two things: smiled and talked about her girls. Oh, how she loved those girls. Without a doubt, she will be missed. With sympathy, Ronnie and Darlene Watson*

“ *Tom, Marie, Laurie Ann, and family,
I am so very sorry that you have lost Wanda. She was such a vibrant and energetic person. She could always be counted on to be one of the first to help or do when I taught at Brosville and the girls were in school there. Afterwards, I would see her whenever I was shopping at Belk's. Even with her health problems, I'm sure she continued to be there for you all. Thoughts and Prayers for your comfort in the days ahead knowing how much she will be missed.*

“ *Proverbs 31 asks the question: Who can find a virtuous woman? Indeed, those of us attending Shermont Baptist Church did not have to look far to find a positive role model. Wanda Widener lived the all the qualities stipulated in Proverbs 31. During her time with us she fulfilled God's purpose for her life. Now she is healed, delivered and set free from the challenges and restrictions of this life. We will see Wanda again one day. It is now up to us to share the wealth of her life and the promises of her Lord Jesus Christ!*

“ *Sweet lady...you welcomed me from the start. From weddings to babies, from parties to cooking in your kitchen. I can see that smile and taste that cake. Your warmth and energy, your quick wit, your love of family...all this fills my mind. You lived your faith and it sustained you. Now, rest. You will always be close in heart. You loved us...and we did love you.*
