“ My prayers go out to Wayne's family ,ever since he was a little boy he and Jeffrey were so sweet. They went to Glenwood school with my kids and I would get tickled at Wayne I think he had a crush on my daughter Gina ,he would run after her and pick on her and she would laugh and she would fuss .Then she would wave good bye and smile,next day same thing. Kids are so funny and my son was friends with Jeffrey . My sister and I grew up with Brenda they could not ask for a better Mom and Grandma ,Mrs Clark. My heart goes out to you all I did not know he had been in a wreck Carolyn and I could have goin to see him. I know your hearts are heavy God is with you and he will show you the way, He does not do anything without a reason,just remember that. He does not take without giving. You have only to believe that ,Love you Judy and Carolyn, Gina Bryan
