“ I was so sorry to hear of your father's death. He was a close friend of my dad and I have many memories of them together . . . some that included me at his house with your family. The last memory I have of him was when he came to visit my dad not too long before my dad died. I am sorry I was not able to attend visitation nor the funeral as I was sick. However I was able to enjoy the wonderful pictures that you posted online. May God give each of you the peace that only He can give during this time. My prayers are with you all.
