“ Janet, Ray and I was devastated to hear about Woody. Ray ask me how long I have known ya. I told him about 16 years about as long as Aiden has been alive. I remember the first time I met you and Woody at Ryan's in Union City. We had Aiden there in his car seat, he could not have been more than 5 or 6 months old, and these 2 strange people came up to us and said "Thats our Grandbaby". I must have looked at you like you was out of your mind. But you knew his name. I thought, all babies look alike, and you both Knew he was Aiden. What a wonderful start to a Great friendship all these years. Ray and I treasured the times ya would come to Ambers and Andy's house for Christmas. We both enjoyed our Woody talks, it was always entertaining. And the Dirty Santa Gifts... What fond memories. Ray and I was going to make the trip to be with ya today. Unfortunately, we could not. Sending Prayers your way. May God provide you comfort in this season of sorry. We will also keep all of ya in our prayers as well! All our Love, Ray and Darla

“ Sorry to hear of Woody's passing. Fun classmate from Southeast High class of 65. I enjoyed visiting with him and catching up at all the reunions. He would always mention that I wore his football uniform in the Powder Puff Football Game. My condolences to your family. Diane (Pettigrew) Cueni, class of "65.
