“ I haven't words to express how sadden I was to hear of the passing of my friend . For several years we talked on a daily basis as we transported students to DRMS where I work. We shared so many stories of family especially grandchildren. Please know that my prayers are with you. I didn't know anything until I passed your home and saw the flower. I loved Mrs. Barbour. Family stay strong and trust the Lord to see you through your stuff days ahead.
